All are within walking distance to each other.
- The Museum is self-guided; the Mueller House is led by a costumed tour guide.
- Tour groups of 20+ persons may be divided into smaller groups to tour the Mueller House.
- Not all areas of the Mueller House are handicap accessible. Steep stairs lead to the second floor of the Mueller House, but visitors do not have to navigate them if they wish not to. Your tour may or may not include the second floor.

Restrooms: There is one restroom, located in the Museum building. *Additional restrooms are located in the Carriage House located at the back of the property. This building is not handicap accessible. Inform the Group Tour Coordinator if these facilities are needed for your tour.

Bus Parking: On Main Street across from the Museum at 145 E. Main Street; Lititz Springs Park (enter at Welcome Center at 18 N. Broad St. - parking spaces at the back of the park); there is space behind the museum for small bus parking. Parking can be decided upon arrival.

Please review all of the above information, and confirm the date, time and number of people in your group.

Please note any corrections.

Sign and return this completed Agreement (together with your deposit, if applicable) to the Lititz Historical Foundation at least two (2) weeks prior to your tour date.
